## Classroom News

Wow the first month flew by. We are learning and growing so much everyday! This month we are learning about our families. We are going to read, sing, explore, and play while learning about those closest to us. Additionally, we will focus on our other monthly concepts. This is a really fun theme to explore. Join us for the adventure!

## Monthly Homework

For this month's homework, please make a family tree. Use your imaginations to decorate...you could use any materials you happen to have! Examples: pictures (encouraged), paint, stickers, glitter, etc. ...whatever you can think of. As always, the important thing is that your child is an active participant and that you and your child talk about it as you make it together. Please have your child bring his/her family tree on (or before) sept. 13<sup>th</sup>. If you need materials to do the homework please text me and I'll happily send some home! Remember there is no right or wrong way to make a family tree, the point is to spend some time with your kiddo talking about family. It will be great to see how different all of our families are!

Due: Thursday September 13th

## Wish List

- Clorox Wipes
- Hand Soap
- Paper towels
- Black Beans (for touch table)

## Concepts

Theme: My Family
